

Week 7: Coding Assignment

URL to GitHub Repository: <https://github.com/SpaceChkn/Week7>

URL to Your Coding Assignment Video:

<https://www.dropbox.com/s/qgmwgwak7x14ynk/week7.mov?dl=0>

Instructions:

- In Visual Studio Code, write the code that accomplishes the objectives listed below and ensures that the code compiles and runs as directed.
- Create a new repository on GitHub for this week's assignments and push this document, with your project code, to the repository.
- Include the URLs for this week's repository and video where instructed.
- Submit this document as a .PDF file in the LMS.

Coding Steps:

- Create a website using only **HTML**. The website can be anything you like (within school guidelines) if it meets the following criteria:
 - At least 3 pages with links to navigate between all pages present on each page.
 - 2 different size headers, list, 3 images, table, and a form.

Video Steps:

- Create a video, up to five minutes max, showing and explaining how your project works with an emphasis on the portions you contributed.
- This video should be done using screen share and voice over.
- This can easily be done using Zoom, although you don't have to use Zoom, it's just what we recommend.
 - You can create a new meeting, start screen sharing, and start recording.
 - This will create a video recording on your computer.
- This should then be uploaded to a publicly accessible site, such as YouTube.
 - Ensure the link you share is **PUBLIC** or **UNLISTED**!
 - If it is not accessible by your grader, your project will be graded based on what they can access.

Week 7: Coding Assignment

[illegible]

The screenshot displays a web browser window with a URL bar showing a local file path. The page content is a form titled "Contact Us" with the following fields and elements:

- Form Fields:**
 - Name:** A text input field with a placeholder "First Name".
 - Email:** A text input field with a placeholder "Email Address".
 - Phone Number:** A text input field with a placeholder "Phone Number".
 - Message:** A text area with a placeholder "Voice your concerns present size 30px".
 - Submit:** A button labeled "Submit".
- Form Validation:** The form includes a "required" attribute for the Name, Email, and Phone Number fields, and a "minlength" attribute for the Message field.
- Form Styling:** The form is styled with a light blue background and rounded corners. The input fields have a light blue border and a light blue background. The submit button is a solid blue button with white text.
- Form Labels:** The form has labels for "Name", "Email", "Phone Number", and "Message".
- Form Messages:** The form includes a message about battery-powered paper: "We are switching to battery powered paper, we have two brands in mind, lets vote: ->".
- Form Options:** The form includes a "radio" button for "Battery" and a "radio" button for "Paper".
- Form Submit:** The form includes a "Submit" button.
